

## ELECTRIC LOCKS

Original equipment locks electrified, UL Listed. These locks provide safety and security for stairtower doors or controlled areas where both locking and latching are required. Allow remote electric locking or unlocking while conforming to life-safety codes.

- UL Listed Modifications
- Fail Safe (Power Lock) - Outside trim is locked when power is removed (storeroom function when energized). Lockset will unlock in event of power failure (passage function).
- Fail Secure (Power Unlock) - Outside trim is unlocked when power is applied and locked when power is removed. Lockset will lock in event of power failure.
