HEAVY DUTY HINGES

The ideal self-closing (tension-adjustable) hinge for heavier or high-traffic metal gates - especially those with narrow frames - around commercial areas, homes and child care centers. Tough, molded construction with stainless steel torsion spring. 100% rust free for life. No binding, no sagging, no staining. Quick and easy adjustment feature. "L2" models have quick-fit alignment legs for added fitting strength.

No fasteners included. Consult your hardware expert for 12 gauge fasteners.

DDTCHD1A-L2-MK2 75.18
For Metal Gates, With 2 Alignment Legs

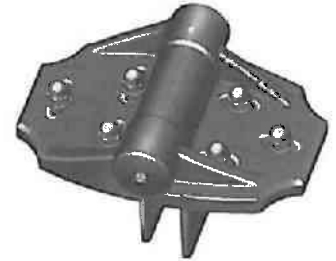

TRU-CLOSE® ADJUSTABLE, SELF-CLOSING GATE HINGES

A self-closing (tension-adjustable) hinge for heavier or high-traffic metal, wood or vinyl gates around commercial areas, homes and child care centers. Tough, molded construction with stainless steel torsion spring. 100% rust free for life. No binding, no sagging, no staining. Quick & easy adjustment feature. "L2" models have quick-fit alignment legs for added fitting strength.

No fasteners included. Consult your hardware expert for 12 gauge fasteners.

DDTCHD1-L2-MK2 76.00
For Metal, Wood or Vinyl Gates, With 2 Alignment Legs

The world's most adjustable gate hinge - and one of the easiest to install. Ideal for large, heavy or high-traffic vinyl or wooden gates. This revolutionary, heavy duty hinge offers the ultimate range of vertical, horizontal and tension adjustment. It is possible to adjust the hinge (the gate) up to 3/4" in either a vertical or horizontal direction. This hinge also offers the benefits of Tru-Close's patented tension adjustment facility. Tough, molded construction with stainless steel torsion spring. No rusting, binding, sagging or staining. **All fasteners included.**

DDTCDMA1 105.38
For Wood/Vinyl Gates, 3 Way Adjustable
