- HORIZONTAL DEADBOLTS

VERTICAL DEADBOLT LOCKS

Unique dropbolt rim locks which mount on the door, rather than within it.

JIMMY-PROOF VERTICAL DEADLOCK 600 SERIES

Features a cast-bronze case, double bolt, and a strike for strength. The case is 2-3/4" x 4-3/8" x 1". 7050 key cylinder.

Choose either outside cylinder with inside thumb knob, or keyhole both inside and outside for glass doors. Segal's exclusive shutter guard prevents the lock from being opened with a screwdriver, even if the cylinder is wrenched out.

Code	Cylinder	Strike	Price/Ea
SZ0666A0	Thumbknob and Key	Angled	95.00
SZ0667F0	Thumbknob and Key	Flat	95.00
SZ0688A0	Double	Angled	118.00
SZ0687F0	Double	Flat	117.00

PRESSURE-CAST RIM CYLINDER

Segal's lowest priced cylinder. This 5-pin pressure-cast brass plated cylinder will fit any rim lock. For doors 1-1/4" to 3" thick
